WITNESSETH:

WHEREAS, Seller markets and distributes aviation fuels, and Customer is in the business of operating an aviation facility which uses aviation fuels; and

WHEREAS, the parties have agreed that Seller will sell aviation fuels to Customer and Customer will purchase aviation fuels from Seller in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants and undertakings set forth herein, Customer and Seller hereby agree:

1. **Scope.** During the Term (as defined below), Seller agrees to sell and Customer agrees to purchase all of Customer's requirements at Customer fixed-based operation site at Habersham County Airport (KAJR), 1112 Airport Road, Cornelia, GA 30531 (the "FBO") for branded and unbranded aviation gasoline, jet fuel, and any other products sold hereunder exclusively from Seller and that it will not purchase any such fuels or products for the FBO from any other corporation, company, entity, or person. Customer represents and warrants that all products and services purchased hereunder will be for the purpose of conducting its business and that no aviation gasoline purchased hereunder shall be used or sold for non-aviation use. In addition, Seller offers a comprehensive Contract Fuel Program and in the event Customer engages in contract fuel sales, Customer agrees to use Seller's Contract Fuel Program exclusively. Customer covenants that all contract fuel sales will be through Seller's Contract Fuel Program and that it will not use any other supplier's contract fuel program. Customer acknowledges that Seller has provided Customer with information relating to the Contract Fuel Program.

2. **Duration and Renewal.** This Agreement shall be for an initial term of one (1) year beginning on the Effective Date (the "Initial Term"). This Agreement shall renew for two (2) subsequent one (1) year periods (each, a "Subsequent Term", and with the Initial Term, the "Term") unless cancelled by either party providing written notice to the other party of its election to terminate at least ninety (90) days prior to the end of the Initial Term or the applicable Subsequent Term.

3. **Pricing.** Unless otherwise agreed in writing by the parties, the price per gallon for products sold hereunder shall be as established by Seller from time to time in its discretion. Prices are exclusive of all Taxes (as defined in Section 10) additives, freight charges, surcharges and fees. Notwithstanding any written agreement to the contrary, if Seller's cost of supplying fuel or services to Customer increases then, upon written notice to Customer, Seller may adjust its prices at affected delivery locations. Price changes will take effect as of the date of notification.

4. **Product and Product Standard.** Seller warrants to Customer that the products sold hereunder are Jet A Turbine Fuel and 100LL Aviation Gasoline and that such products will comply with the following requirements, as applicable: Jet A Turbine Fuel produced by a refinery in the United States shall meet ASTM D 1655, latest revision, and Jet A Turbine Fuel produced by a refinery in Canada shall meet the requirements of CAN/CGSB-3.23, latest revision. 100LL aviation gasoline produced by a refinery in the United States shall meet ASTM D 910, latest revision. Seller warrants to Customer that it has title to the products delivered hereunder, and Seller warrants to Customer that it has the right to sell such products and that they are free from liens and adverse claims of every kind. EXCEPT AS SPECIFICALLY SET FORTH IN THIS SECTION, SELLER MAKES NO WARRANTIES OF ANY KIND TO CUSTOMER REGARDING THE PRODUCT SOLD HEREUNDER, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

5. **Credit and Payment Terms.** Payment by Customer shall be made by means of check, and the terms shall be net fourteen (14) days subject to credit approval by Seller. Past due amounts shall accrue interest at a rate of one and one-half percent (1.5%) per month, or the maximum rate permitted by applicable law, whichever is less. All amounts more than fifteen (15) days past due shall incur an additional five percent (5%) administrative fee. Any waiver by Seller of interest charges or administrative fees on a particular invoice shall not be construed as a waiver by Seller of its right to impose such charges on other or subsequent deliveries. Seller reserves the right to apply Customer's payments to any outstanding invoices or obligations of

Customer, as determined by Seller in its sole discretion, without regard to the aging of any account. Customer shall be liable for all fees and costs, including without limitation attorney's fees, incurred by Seller in connection with any collection activities undertaken by Seller for the non-payment of any amounts due hereunder by Customer. Seller reserves the right to modify or cancel the credit terms provided to Customer at any time, in its sole discretion upon notice to Customer. If Seller selects not to extend or cancels any credit terms provided to Customer, prior to each delivery of aviation fuel, Customer shall: (a) make a prepayment to Seller; (b) cause to be issued a letter of credit in favor of Seller in a form, in an amount and from a bank that is acceptable to Seller from time to time in its sole discretion, or (c) give other security to Seller in a manner, of a type, in a form and in an amount that is acceptable to Seller. Seller reserves the right, in addition to all other rights and remedies available to it under the law, in equity or otherwise, to suspend further performance of Services, and demand payment of all outstanding balances, if Customer fails to make any payment as herein provided, or if Seller at any time deems itself insecure with regard to the creditworthiness or financial condition of Customer.

6. Force Majeure. Neither party shall be liable for its failure to satisfy its obligations hereunder as a result of any cause beyond its control, including acts of God, acts of federal, state or local government, compliance with requests, regulations or orders of any governmental authority, fire, storm, flood, earthquake, explosion, accidents, acts of the public enemy, terrorism, war, riot, strike, lockout, or unavailability of or delays in delivery of any product which is the subject of this Agreement. If any such *force majeure* interruption occurs with respect to Seller's supply, Seller may substitute another fuel of the same brand, a different brand, or no brand so long as such aviation fuel meets the standards set forth in Section 4 above, and/or the quantities of aviation fuel required to be supplied under this Agreement may be ratably reduced for the period during which such *force majeure* interruption may exist.

7. Title and Risk of Loss. Seller's liability relating to the aviation fuel sold hereunder shall cease and title and risk of loss shall pass to Customer when said product passes the flange between Seller's delivery line and Customer's connection or vehicle.

8. Inspection and Measurement. Customer's inspection and measurement shall be based on meters or on certified tank truck capacities according to terminal practice. All quantities shall be adjusted to 60 degrees F temperature (unless otherwise specified by State Regulations) in accordance with the latest revised applicable parts of ASTM Designation D: 1250, IP Designation: 200 Petroleum Tables. The term "gallon" shall mean a U.S. gallon of 231 cubic inches. The term "tank truck" shall mean a transport truck with a tank storage capacity of not less than 3,000 gallons.

9. Deliveries. Deliveries shall be made at such times within the usual business hours of Seller as may be required by Customer, provided that reasonable advance notice is given by Customer. Seller shall prepare and furnish the receiving party with copies of bills of lading and other shipping papers. Seller shall not be required to make deliveries into vehicles supplied by Customer unless they are clean and empty immediately prior to delivery and shall not be required to load or deliver quantities less than the full capacity of the vehicle, except as otherwise authorized by Seller from time to time. If deliveries are to be made into Customer's storage facilities, Customer shall provide storage facilities sufficient to enable it to receive such deliveries and shall provide Seller with unimpeded and adequate ingress and egress twenty-four hours per day. Customer shall reimburse Seller on demand for any demurrage or other charges incurred by Seller by reason of Customer's failure to unload any delivery vehicle or release the same within the time allowed therefor without demurrage or other charge even though such failure may have arisen from causes beyond the control of Customer. All deliveries of aviation fuels shall be in full bulk transport quantities unless otherwise agreed by Seller. Seller's ability to offer products in the quantities and at the prices provided for under this Agreement is dependent upon the ratability of Customer's demand. As such, Seller reserves the right to implement measures to control the proportionality, consistency and ratability of Customer's demand.

10. Taxes. All prices are quoted in U.S. Dollars (unless otherwise specified) and exclude all duties, taxes, assessments, fees, and other charges, whether foreign or domestic, including, but not limited to, excise tax, VAT, GST, mineral oil tax, sales tax, use tax or any other tax, license fees, inspection fees, landing fees, airport fees, fees for the privilege of buying, selling or loading aviation fuel, or other charges imposed by any governmental authority or agency or regulatory body, or third party upon, or measured by the gross receipts from or volume sold of any commodity, or on the production, manufacture, transportation, sale, use, delivery or other handling of such commodity, or any component thereof, or on any feature or service related thereto or of any invoice, existing at the time of any sale hereunder (collectively "Taxes"), which shall be added to the applicable price. When permitted, Customer shall assume and be directly responsible to the proper governmental units for any Taxes. When the laws, regulations or ordinances impose upon Seller the obligation to collect or pay such amounts, Customer shall pay to Seller all such amounts for which Seller may be liable. If Customer is entitled to purchase products free of any Tax, Customer shall furnish Seller proper exemption certificates. Customer acknowledges that it remains solely responsible for all Taxes and shall indemnify Seller against any liability for such Taxes even if Seller fails to include any such Taxes in its invoices. Customer's obligations under this Section 10 shall extend to any Taxes which are assessable against Customer as a result of any subsequent change in, or in interpretation of, any laws relating to such Taxes.

11. Conduct of Customer's Business. In the performance of this Agreement, Customer is engaged as an independent contractor. Customer shall conduct all operations hereunder in compliance with all applicable laws, ordinances and regulations of all governmental authorities, including but not limited to those issued by the U.S. Department of Transportation and those relating to the, production, manufacture, transportation, sale, use, delivery or other handling of products purchased hereunder. Customer shall be responsible for all deductibles in all of Customer's insurance policies. Customer shall furnish Seller with certificates for all insurance coverage.

(d) Seller has the right to modify, delete, add to or otherwise change the insurance requirements set forth in sections (a) through (c) inclusive provided that Seller provides Customer with thirty (30) days' notice of such change.

(b) If Seller continues to accept orders from Customer following the expiration of the Term, such sales shall be upon all of the terms and conditions hereof except that the relationship of the parties may be terminated at will.

(c) In the event this Agreement is terminated, all other agreements and instruments between the parties shall also terminate, and all amounts owing under any note or other document shall become due and payable. In addition, upon termination of this Agreement, any and all indemnity obligations, parties' rights upon breach, all collateral and security interests in favor of Seller, obligations arising upon termination (such as discontinuing the use of the trademarks and tradenames of Seller's supplier), confidentiality provisions, and any other terms of this Agreement which by their nature should survive termination shall all survive.

(b) Entire Agreement. This Agreement, the branding agreement, all security agreements, notes, leases, and all other related documents of the parties constitute the entire agreement between the parties. In any transaction hereunder, the Affiliate issuing the invoice to Customer shall be deemed the Seller of the fuel and/or services. The waiver by either party of the breach of any provision hereof shall not constitute a waiver of any subsequent or continuing breach of such provision or provisions.
