COMMISSION ACTION REQUESTED ON: March 15, 2021

Vote to approve purchase of new 4x4 F-150 truck as approved by Habersham Board of Health

PURPOSE: Request to approve purchase of new 4x4 F-150 truck as per attached quote prepared by County Fleet Management

BACKGROUND / HISTORY: The Habersham County Board of Health FY21 Budget, as subsequently approved by the Habersham County Commission, includes the funding for a new Environmental Health truck purchase to replace the existing 2001 4x4 Ford Ranger. The current truck is 20 years old, has over 140,000 miles and has incurred multiple repairs over the last 3 years. At this time, the Board of Health respectfully requests that the Habersham County Board of Commissioners approve the purchase of the new 4x4 F-150 per the attached quote prepared by Habersham Fleet Management. The price of the truck is quoted at \$28,138 from Allan Vigil Ford.

FACTS AND ISSUES:

The current 4x4 Ford Ranger is 20 years old and has over 140,000 miles.

The current truck has incurred multiple repairs over the last 3 years, and as such, this has presented safety concerns.

The funding for the FY21 truck purchase has been approved and set aside by the Habersham County Board of Health.

To accommodate for the purchase of the truck, Habersham County will be reducing the remaining FY21 balance owed to the Health Department (Board of Health) through June 2021.

The Health Department's new allocation per month will be \$9,316 instead of the current \$16,565.66 per month.

Once the truck is purchased, and with the reduced monthly allocations, the Health Department's annual allocation from Habersham County will be balanced to the amount originally approved in the Board of Health budget for FY2021.

OPTIONS:

- 1) Approve recommendation to
 - 2) Not approve recommendation to
-

RECOMMENDED SAMPLE MOTION:

I move to approve the purchase of the new 4x4 Ford F-150 truck for Environmental Health per the quote provided by Habersham County Fleet Management, with price totaling \$ 28,138.
