☐ **OTHER**

CAPITAL- \$32,000.00 (327-475-54-1670, SPLOST VII, Vehicles & Equipment)

COMMISSION ACTION REQUESTED ON: May 16, 2022

PURPOSE: To request Commission approval to ratify the purchase of two 2020 Bushhog 2810CD Flex Wing mowers at \$16,000 each under PO# 104317 for a total purchase of **\$32,000.00**

BACKGROUND / HISTORY: The Public Works Director is requesting Commission to ratify purchase of two 10', right-handed offset at 6' & 4', batwinged Bushhog mowers for the Road Department's right-of-way mowing. The Road Department, in conjunction with Fleet Maintenance, searched 3-4 months for a couple of mowers to improve our right-of-way mowing widths and help implement better mowing practices.

We were able to find mowers in Mississippi, New York, and two in Ohio. Most were not commercial grade, all would have to be purchased from pictures only, and all had additional delivery fees between \$1,400 and \$2,000. (Please see back-up, for comparable quotes)

We found the two, Bushhog 2810CD's on April 11, were able to go down and visually inspect them in Hazlehurst Georgia, get the quote and PO on April 12th, and purchase them for \$16K each before they went in to auction on April 14th. The Road Department used our low-boy trailer for pick-up to avoid delivery fees and was able to complete the purchase before competitive auction process began.

FACTS AND ISSUES:

- a. Availability for the needed 10', right-handed, bat-winged mowers is practically non-existent for the entire United States. Substandard mowers located 1,000's of miles away, with higher prices and delivery fees appeared to be all that was available. (See back-up)
 - b. The two 2020 Bushhog 2810CD Flex Wing mowers were located in Hazlehurst Georgia, were visually inspected, and pricing was locked in before a competitive auction process.
 - c. The budgeted funds were met from SPLOST VII with \$16K earmarked for FY2022 and \$16K earmarked for FY2024.
-
-

d. Sales Orders and PO's are attached as follows:

PO# 104317 is for two, 2020 Bushhog 2810CD Flex Wing mowers at \$16,000 each for a total purchase of **\$32,000.00**.

OPTIONS:

1) Approval to ratify the purchase of two 2020 Bushhog 2810CD Flex Wing mowers at \$16,000 each under PO# 104317 for a total purchase of **\$32,000.00**

2) Deny approval to ratify the purchase of two 2020 Bushhog 2810CD Flex Wing mowers at \$16,000 each under PO# 104317 for a total purchase of **\$32,000.00**

3) Commission defined alternative.

RECOMMENDED SAMPLE MOTION: Move to approve the ratification of purchase of two 2020 Bushhog 2810CD Flex Wing mowers at \$16,000 each under PO# 104317 for a total purchase of **\$32,000.00**

Looking for a Heavy Duty single wing batwing cutter? Look no further, this machine is ideal for cutting tall grasses and saplings up to 4 inches in diameter. The patented driveline lift assistance system makes it easy to hook up!

The rounded wings easily maneuver around obstacles and slice through tall brush while the curved leading edge shrugs off impact giving you a great cut and ease of operation! Strategically placed, welded baffles cut and distribute debris evenly and gives you a great finished cut every time.

A steel tube around the perimeter absorbs shock and creates a stronger, longer-lasting machine.

If you prefer text messaging please text Jon @ 330/231/0259 or Jr @ 330/231/0273,

We can help with shipping and low rate financing. 0% Financing Available during some promotional periods! On the spot shipping quotes and FAST credit response. Please call, text, or email with any questions.,

Mast Tractor is a small, family owned and operated business. We have been in business at the same location since 1973! We specialize in selling high quality, low hour, late model, used tractors. Try us, you will not be disappointed! Our sales staff is NOT working on commission so you will not feel sales pressure from us! We can arrange trucking & financing & will do our absolute best to make every deal an easy & hassle free transaction for our customers!
