**CAPITAL-** Grant Funding from Assistance to Firefighter's Grant with county match of \$73,190.91 and Federal Funds of \$658,718.18 for the purchase of the Self-Contained Breathing Apparatus.

**COMMISSION ACTION REQUESTED ON:** May 17,2021

---

**PURPOSE:**

Recommend Habersham County Commission approve for Habersham County Emergency Services to purchase SCBA from the AFG Award in 2020 from Municipal Equipment Company, LLC, a cooperative using \$658,718.18 of federal grant funds, and county match of \$73,190.91 from SPLOST VII.

---

**BACKGROUND / HISTORY:** Habersham County Emergency Services currently has Self-Contained Breathing Apparatus that will reach its 15-year life span in 2023. HCES was awarded the AFG Grant for purchase of new SCBA in early 2020. We have until August 2021 to purchase this equipment as outlined in the grant award letter/process.

---

**FACTS AND ISSUES:**

- a. HCES will be required to replace all SCBA in 2023 as it will reach its 15-year life span.
  - b. The county will be saving the taxpayers \$658,718.18 by utilizing the Assistance to Firefighters Grant awarded in 2020.
  - c. The department should be able to sell some of our current SCBA to a volunteer or overseas agency for training or other purposes to offset some of the matching funds.
  - d. This grant is providing roughly 90% of the cost from the federal funding portion of the grant.
- 

**OPTIONS:**

- 1) Approve the request for Habersham County Emergency Services to use Municipal Equipment Company, LLC for the purchase of the Drager Self-Contained Breathing Apparatus.
  - 2) Deny the request to apply for the Assistance to Firefighters Grant funds to purchase the Drager SCBA.
  - 3) Commission defined alternative.
-

---

---

**RECOMMENDED SAMPLE MOTION:** Approve the request for Habersham County Emergency Services to use Municipal Equipment Company, LLC for the purchase of the Drager Self-Contained Breathing Apparatus where the county \$73,190.91 of matching funds would be utilized from SPLOST VII.
