Mr. Whittington lives at the end of 140 Rocky Springs Rd, Clarksville, GA. and is wanting the county to take over the road maintenance. He does not believe he should have to go through the process of having a private rd converted to a county rd because he says that it is already a county rd.

Do you plan or expect to make a complaint or report of wrongdoing, improper action, or neglect on the part of any county official or employee of the county _____ Yes ☒ No (check one)

If the answer is yes, what is the name and title of that person?

State succinctly the facts giving rise to your complaint or report, stating dates, places, what was done or not done that you wish to complain of or report, and why you consider it to be improper.

He states that in 1993 the county took over the rd & the county owns the rd. Our Rd department disagrees & says that it is a private road & needs to be brought to specifications and go through process to be made a county maintained road.
