8. A complete IRS form W-9 must be submitted with the bid packet to be considered complete.

General Specifications

Habersham County is requesting bids from contractors licensed by the Georgia Department of Agriculture to provide herbicide spraying services on various roads throughout Habersham County. The estimated quantity for grass suppression is 80 centerline miles of paved roads. The estimated quantity of annual control of brush, woody and unwanted grasses is approximately 80 centerline miles of gravel roads. The spray width for paved roads will vary from 10-15 feet from the edge of pavement. The spray width for gravel roads will vary from 5-10 feet from the edge of the travel way. The contractor will be required to verify actual coverage areas prior to beginning work. Herbicides and surfactant should be combined and applied simultaneously as recommended by the manufacturer. Price is to include all costs incurred.

Scope of Work for Grass Suppression Program

- The intent of the suppression applications is to suppress seed head growth of grasses and eliminate undesirable weeds. **A total kill is not acceptable.** It is the desire of the County for this to be a no brownout program.
- Contractor will provide up to two (2) herbicide treatments per year. One Pre-emergent application and one post emergent application.
- Cycle No. 1 (Pre-emergent Application)
 - Timing: February
 - Pre-emergent Application Rates:
 - Accord XRT, or equivalent: 10 oz. per acre
 - Milestone VM, or equivalent: 3.5 oz. per acre
 - Oust, or equivalent: 1.5 oz. per acre
- Cycle No. 2 (Post-emergent Application)
 - Timing: June
 - Post-emergent Application Rates:
 - Plateau, or equivalent: 5 oz. per acre
 - Milestone VM, or equivalent: 1.3 oz. per acre
 - Spot Application where directed: Outrider, or equivalent: 1.3 oz. per acre with Accord XRT, or equivalent at 8 oz. per acre.

Scope of Work for Control of Brush, Woody Species, & Unwanted Grasses

- The intent of the control application will be to suppress all undesirable brush, woody species, and unwanted grasses for one year.
- Contractor will provide one (1) herbicide application per year that will control brush, woody species, and unwanted grasses for a one-year period.
- Cycle No. 1 (Only 1 Application per year)
 - Timing: April
 - Pre-emergent Application Rates:
 - Accord, or equivalent: 64 oz. per acre
 - Garlon 3A, or equivalent: 95 oz. per acre
 - Escort, or equivalent: 2 oz. per acre
- Note: At the airport, the steep slope near runway 24 will only be sprayed to kill woody species. Grass shall not be killed or stunted.

Application of Herbicides

- Contractor will ensure the handling and application of each herbicide is performed by a current Georgia Department of Agriculture Application licenses, categories 26 (Aquatic Pest Control) and 27 (Right of Way Pest Control). Contractor must provide current copies of licenses for all employees who will work under the terms of this contract with bid proposal. A supervisor will always be required to be present when spraying is conducted. Contractor will provide the name and telephone numbers of all supervisors prior to starting work.

- Contractor will ensure that weather conditions are consistent for herbicide application as spraying during or immediately after a heavy rain fall or thunderstorm as this will weaken the overall effectiveness of the herbicide. If wind is greater than 10 MPH and/or rain is imminent, spraying must cease until weather conditions are more favorable.
- Contractor will not allow drift. Do not use application when winds in the area exceed manufacturer's recommendation and the spray pattern cannot be kept on target. The spraying of residential or commercial property is prohibited. Contractor will be responsible for damage to private property owners or County excluded property if herbicide spray should damage such areas.
- Before applying the herbicides and adjuvants to be used, read herbicide label for additional information including: Safety Recommendations, Environmental Hazards, PPE Equipment Calibration, First Aid, and Directions for Safe Use. Contractor will verify areas that do not require spraying such as areas of Right of Way that is commonly maintained by private property owners.
- Contractor must maintain a daily log sheet of acres sprayed, herbicide rates, roads sprayed, and water usage. All information must be submitted to the County with the invoice at completion.
- To reduce the potential impact pollinators, contractors should assume treatment operations will be conducted after sunset and before sunrise.

Safety

- Contractor will provide their own traffic control and strictly adhere to the Manual on Uniform Traffic Control Devices (MUTCD), current edition. Special attention should be given to Section 6H-17. No separate payment will be made for traffic control as it is incidental to the work.
- Contractor will be responsible for any accidental chemical spill and will maintain a spill plan and the truck will have a spill plan clean up kit on board. In the event of a spill the contractor will notify all appropriate environmental agencies and will be responsible for all cost and clean up associated with the spill.
- Equipment will be washed and cleaned daily to avoid contamination of weeds and seeds and other vegetation in other routes. Cleaning of equipment on right of way is prohibited.
- Night work will be permitted.
- Contractor will follow all OSHA and Federal Highway Administration Safety Regulations.
- Contractor will comply with EPA and Georgia Department of Agriculture regulations.
- Contractor will be responsible for chemical handling, storage, and disposal.

SPECIAL PROVISIONS

PROPOSAL GAURANTY: No proposal guaranty is required.

DELIVERY OF PROPOSAL: Each proposal shall be in a sealed envelope so marked as to identify the contents without being opened. Proposals will be received until the time and date set in the Notice to Contractors for opening and must be in the hands of the officials indicated by that time. Proposals received after the time established for opening of bids will be returned unopened to the Bidder.

AWARDS OF CONTRACT: If a contract is awarded, it will be awarded to the lowest responsible bidder whose Proposal shall have met all prescribed requirements. The Contract will be awarded, if at all, within 60 calendar days after opening of Proposals.

CANCELLATION OF AWARD: The County reserves the right to cancel the Award of any Contract at any time before the execution of said Contract by all parties without any liability against the County.

REQUIREMENTS OF PERFORMANCE AND PAYMENT BONDS: No performance or payment bonds will be necessary.

ON-CALL CONTRACT: This is an on-call contract. The contractor will not begin work until receiving formal notice from Habersham County of the locations and quantities of work at the bid price. Quantities may, or may not, be equal to the bidding quantity of miles. The contract will become effective at the approval and execution of the Board of Commissioners and expire 1 year (365 Days) after the date of approval and execution. The contract may be auto renewed for a 1-year term providing both parties wish to continue and no changes in the contract are necessary.

**ALL BIDDERS MUST FURNISH PROOF OF LIABILITY INSURANCE AS WELL AS
WORKER'S COMPENSATION AS REQUIRED BY STATE STATUTES:**

PAYMENTS: Payment will be made to the contractor each calendar month based on the estimated amount of work complete in place and accepted.

NOTICE TO PROCEED: The contract is for providing on call services. Once the contractor receives formal notice to begin, the work shall begin within 10 days and shall be carried through to completion without unreasonable delays and without suspension of the work unless authorized in writing by the County. If there are unreasonable delays or unauthorized suspensions of the work, The County reserves the right to charge the Contractor, not as a penalty, but as liquidated damages as prescribed by the current edition of the Georgia Department of Transportation Standard Specifications.

RETAINAGE: Retainage will not be withheld.

LEGAL REGULATIONS AND RESPONSIBILITY TO THE PUBLIC:

Delete Sub-Section 107.15 and Substitute the following:

107.15 RESPONSIBILITY FOR CLAIMS: The contractor shall indemnify and save harmless the County, its officers and employees, from all suits, actions, or claims of any character brought because of any injuries or damage received or sustained by any person, persons, or property on account of the operations of the said Contractor; or on account of or in consequence of any neglect in safe-guarding THE WORK; or through use of unacceptable materials in constructing THE WORK; or because of any act or omission, neglect or misconduct of said Contractor; or because of any claims or amount recovered from any infringements or patent, trademark, or copyright; or from any claims or amounts arising or recovered under the "Workmen's Compensation Act," or any other law, ordinance, order, or decree; and so much of the money due the said Contractor under and by virtue of his Contract as may be considered necessary by the County for such purpose may be withheld for use of the County; or, in case no money is due, his surety may be held until such suit or suits, action or actions, claim or claims for injuries or damages as aforesaid shall have been settled and suitable evidence to that effect furnished to the County; except that money due the Contractor will not be withheld when the Contractor produces satisfactory evidence that he is adequately protected by public liability and property damage insurance.

TRAFFIC CONTROL DURING CONSTRUCTION:

Traffic Control during Construction shall be the sole responsibility of the Contractor

All Traffic Control Devices used during construction shall be in full compliance with the current edition of the Manual for Uniform Traffic Control Devices (MUTCD).

SERVICE REQUIREMENTS

The ChemPro Advantage:

By selecting ChemPro Services as your Vegetation Management Contractor, our customers will enjoy a multi-dimensional advantage with our service offering. The tenets of these advantages include:

Company Qualifications: ChemPro Services has been managing vegetation in the Southeast for over twelve years. Our experience and operational knowledge have placed ChemPro Services at the top of our industry. Partnering with our company will build confidence, cultivate high standards, and produce quality results. We use a highly skilled workforce to deliver this tenet. Our reputation and ability qualify ChemPro for this partnership.

Safety: Safety is our highest priority. We understand that we are a working partner, and that many others are affected by our actions. We focus on Loss Prevention Self Assessments as a counter measure to unsafe environments. By asking *what can happen? How will this affect my peers? What can I do now to mitigate these risks?* We aim to prevent risks before they occur. In order to combat complacency, we hold regular safety meetings and discuss our efforts. Safety is the tenet that builds trust in our partnerships, by working and adopting safe work practices alongside our peers.

Environmental Respect: ChemPro Services shares the mindset of *RESPONSIBILITY* in regard to our environment. As Vegetation Managers, we always choose the least invasive methods when evaluating vegetation control issues. Many members of our team serve on committees and associations in our peer group, so that we are current on the issues of our times. By hiring ChemPro Services, you will stay informed of industry news and ahead of environmental issues.

Quality Equipment and Reliability: Our mainstay, in practice and in principal, is “to have the right tool for the job”. With this belief in mind, we are proud of the equipment and infrastructure that we supply our work groups. We believe in quality, reliable equipment. We believe that having properly maintained equipment and a clean workspace is the cornerstone to a safe working environment. Request for Taxpayer Identification Number and Certification

► Go to www.irs.gov/FormW9 for instructions and the latest information.

Give Form to the
requester. Do not
send to the IRS.

Print or type. See Specific Instructions on page 3.	1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank. ChemPro Services, Inc.	
	2 Business name/disregarded entity name, if different from above	
	3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes. ☐ Individual/sole proprietor or single-member LLC ☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ► _____ Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner. ☐ Other (see instructions) ► _____	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) _____ Exemption from FATCA reporting code (if any) _____ <i>(Applies to accounts maintained outside the U.S.)</i>
	5 Address (number, street, and apt. or suite no.) See instructions. 3311 Gulf Breeze Pkwy #350	Requester's name and address (optional)
	6 City, state, and ZIP code Gulf Breeze, FL 32563	
	7 List account number(s) here (optional)	

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

Re: Disclosure of Services

To whom this may concern,

This letter is to confirm that ChemPro is indeed a Commercial Applicator of herbicides. We acknowledge that the majority of our business is Commercial Application of herbicides, and NOT Manufacturer, Distributer, Wholesaler, Re-Wholesaler, or any other type of retail herbicide enterprise that would create conflicts of interest with participating Commercial Applicator Companies.

Taxpayer ID Number: 20-1716061

CERTIFICATE OF NON-DISCRIMINATION

In connection with the performance of work under this contract, the bidder agrees as follows:

The bidder agrees not to discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, ancestry or disability. The vendor shall take affirmative action to insure that employees are treated without regard to their race, creed, color, sex, national origin, ancestry or disability. Such action shall include, but not be limited to the following: employment, upgrading, demotion, transfer, recruiting or recruitment, advertising, lay-off or termination, rates of pay or other compensation and selection for training, including apprenticeship.

In the event of the bidder's non-compliance with this non-discrimination clause, the contract may be canceled or terminated by Habersham County. The bidders may be declared, by Habersham County, ineligible for further contracts with Habersham County until satisfactory proof of intent to comply shall be made by the vendor. The bidder agrees to include this non-discrimination clause in any sub-contracts connected with the performance of this agreement.
