

Habersham County Airport Commission

Work Session Minutes

June 6, 2022 at 9:00 a.m.

Commissioners Conference Room
Habersham County Administration Building
130 Jacob's Way, Clarkesville, GA 30523

The Habersham County Airport Commission held a public work session on Monday, June 6, 2022, at 9:00 a.m. in the Commissioners conference room in the Habersham County Administration Building located at 130 Jacob's Way, Clarkesville, GA, 30523.

Members Present: Ken Schubring, Andy Anderson, D. Higgins, Chris Limbach, Justin Schapansky

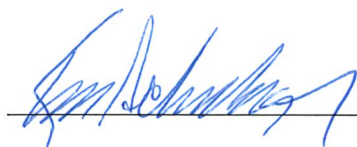

Members Absent: none

Others Present: County Staff, Members of the Public and Media.

Call to Order: Ken Schubring called the meeting to order at 9:00 a.m.

Topics of Discussion:

- 1- Septic Update for H1/H2 – Marcus Hall, Environmental Health – Mr. Hall gave an update on his findings of an existing system and the recommendations and requirements of bringing the system up to code. The current system was not legally installed and is not on record with the state and is not in compliance with current codes. The leach field is unknown. Mr. Hall referenced a letter dated December 13, 2021 to the Airport Commission. Option 1 – H1 & H2 upgraded with a shared tank and shared leach field. Option 2 – H2 upgraded and system completely disconnected from H1. Option 3 – Existing system disconnected and removed and no new system installed. Next steps – Send certified letter to Mr. Campbell, owner of H1.
- 2- Discuss and review bid package for new T-hangar and Box hangar projects – Phil Eberly has determined that there is space to have 4 60x60 hangars in the new box hangar. The doors for each hangar would be 18'x42'. There was discussion of making one unit in the new T-hangar a jumbo, which would allow space for larger jets, but would reduce the total number of new hangars. The new commercial hangars will be stubbed for plumbing (to be finished by future tenants). There will be two separate bid packages – one for the site work and paving, and the other for hangar building erection. The current tie downs will be moved behind the old FBO building.

Ken Schubring, Chairman

Chris Limbach, Secretary
