Habersham County's Turpin named Georgia Inspector of the Year

Habersham County Building Official David Turpin has been named Georgia Inspector of the Year.

Turpin, who has worked with Habersham County since 2007, was nominated by the Building Officials Association of Georgia and honored during the organization's 65th-annual BOAG conference in May.

The Building Officials Association of Georgia provides for the exchange of information in the building industry through seminars, conferences, and meetings. Through these, the organization addresses relevant issues of building safety, fire safety, and code administration of both state and national interest.

Members in the association is available to individuals, firms, corporations, associations, governments, and government agencies interested or engaged in the administration and enforcement of regulations related to buildings and structures and their planning, construction, demolition, alteration, renovation, maintenance, operation, and renewal related to the fire prevention and protection, structural adequacy, safety, health, durability, and the environment.
