

ATTENTION HABERSHAM COUNTY RESIDENTS

The advertisement below is required by the Official Code of Georgia to be ran along with the Current Tax Digest and Five-Year Levy History, however Habersham County Board of Commissioners is **NOT** increasing the millage rate from 2022. The millage rate is proposed to remain at the same amount of 12.682 mills.

Per the State's guidelines and requirements, when the total digest of taxable property is prepared, Georgia law requires that a rollback millage rate must be computed that will produce the same total revenue on the current year's digest that last year's millage rate would have produced had no reassessments occurred.

The budget adopted by the Habersham County Board of Commissioners on June 26, 2023 requires a millage rate higher than the rollback millage rate, therefore, the Habersham County Board of Commissioners must follow the guidelines set for by O.C.G.A 48-5-32-1 before setting the final millage rate for 2023.
