Board of Tax Assessors

130 Jacob's Way Suite 201, Clarkesville, GA
30523

Tuesday, May 13, 2025 9:00 A.M.

A regularly scheduled meeting of the Habersham County Board of Assessors was held on Tuesday, May 13, 2025, at 9:00 a.m. in the Conference Room on the 3rd floor located at 130 Jacob's Way, Clarkesville, in Habersham County, Georgia.

Present: Bill Terry, Chairman; Jimmy Dean, Vice-Chairman; John King, Member; Sonya Turgeon, Member; Denise York, Member; Amy Garmon, Secretary.

Absent: Joan Church, Chief Appraiser

Bill Terry, Chairman called the meeting to order at 9:00 a.m.

Denise York delivered the invocation.

McCormick Update

Terry & Kelly McCormick appeared before the Board to provide an update. Terry provided an update and he indicated it will be a push to get it done. Rural land should have new schedules as of Friday, May 16th. Some of the rural land did not come through the correct way with the conversion. Kelly indicated Commercial properties will probably go up more than residential properties. Terry indicated Urban Land already has the base rate set for most records. John King asked about Personal Property and if we have ever had instances where the Personal Property becomes Real Property. Kelly said that does not usually happen. John King wants to see data on QPublic but Kelly explained it is not live values and won't be until the BOA approves the final numbers. John King would like to have a Work Session when everything is complete & have the

McCormicks come in and let the BOA ask questions to be more aware of how values were arrived at. This work session would need to be sometime in June. Jimmy Dean indicated he has had at least 3 people contact him concerning the buildings at the industrial park. These questions have been asked about buildings that are basically the same, but they have different values. All the assessments are different because Jimmy Dean visited and verified information. Some of the buildings are \$12 per square foot and some are \$60 per square foot. Kelly McCormick explained he has seen some issues with that area. Depreciation is some of the issue as well as uniformity. Kelly is working to fix these areas.

Approval of Agenda:

Motion made by John King to approve the May 13, 2025 agenda; seconded by Jimmy Dean; voted unanimously to approve motion.

The Board reviewed the attached listing of applications for release for Conservation Use Valuation Assessment covenants expiring December 31, 2024 or breached, with and without penalties, for Tax Year 2025. Motion made by John King to approve the releases for all covenants listed for Tax Year 2025; seconded by Denise York; voted unanimously to approve motion.

The Board reviewed the attached listing of applications for Conservation Use Valuation Assessment, under 10 acres, for Tax Year 2025. Motion made by Sonya Turgeon to approve CUVA applications for Shawn Blackburn 051-007A & 053-036; John Gary Church 073-024B; Johnathan Lathan 027-203B for Tax Year 2025 for properties under 10 acres; seconded by John King; voted unanimously to approve motion. Motion made by Sonya Turgeon to deny the remaining CUVA applications for under 10 acres for Tax Year 2025; seconded by Jimmy Dean; voted unanimously to approve motion.

Status Update from Chief Appraiser

Ms. Church was out of the office and no update was given.

Miscellaneous:

Ms. Garmon informed the Board of a decision that needed to be made regarding the May 27 meeting. There will be a few members absent from the meeting and Ms. Garmon will be out of town for training next week so getting an agenda out will be difficult. Motion made by Denise York to cancel the May 27th meeting; seconded by John King; voted unanimously to approve motion.

Chairman Terry also brought up to the Board Legal Counsel Services. The Board discussed that Donnie Hunt submitted a proposal. Chairman Terry asked if the Board wanted to obtain other offers. After discussion, it was agreed for Ms. Garmon to reach out to Tim Sims, County Manager to see if the BOA has to obtain additional offers or bids for this. Ms. Garmon will let the BOA know in an email as soon as she gets an answer from Mr. Sims.

Chairman Terry also informed the Board that McCormick sent a proposal to bid on doing Field Work for our office. Jimmy Dean wants us to be more proactive on McCormick, appeals, etc. Sonya Turgeon asked what the Field Appraisers we currently have would be doing if we contract with a company.

A discussion was held regarding employees time and whether we had time clocks. Ms. Garmon explained that the county has mentioned time clocks but at this time our department does not have them.

Adjournment

Motion made by John King to adjourn the meeting; seconded by Denise York; voted unanimously to approve motion. The meeting was adjourned at 11:28 a.m.

Respectfully submitted,

Bill Terry, Chairman

2025 Habersham County Revaluation update

May 1, 2025

Problems

As of 05/01/2025 the conversion is still not complete.

Historical photos and documents are still incomplete

Something new that has come to our attention, digest classes have been changed in a few instances, such as the land digest class was commercial last year on the land and now its residential. Kelly seems to think if we can get a list from Bi Tech he can correct that. No reason in the conversion for digest classes to be randomly changes.

Accomplishments

The following are doing data entry, Erica Varges, Elaine Garrett, Amber Gilbert, Abby Moore, Lori McCormick, Katie McCormick Gail Bunn and Teresa Mulkey

All the field reviews are currently in the hands of data entry people, it's a matter of catching up!

The appraisers are working in the county, Terry is finished in the city of Clarkesville, doing reviews data entry is in progress and setting Clarkesville and Cornellia land values and Kelly is working on commercial properties.

Residential improvement schedules have been set.

We have set many urban land base rates and that is what Terry McCormick is working with

We continue to move forward despite many obstacles!
