NEW BUSINESS:

- a. Consider/Approve Release and Transfer of Rocky Branch Rd to the City of Clarksville

Public Works Director Jerry Baggett addressed the Commission. He is seeking approval from the Board of Commissioners to quit claim and transfer ownership of Rocky Branch Rd from Habersham County to the City of Clarksville. The City of Clarksville currently owns most of Rocky Branch already. The County only owns a small section of .34 miles between State Route 17 (southern terminus) and Barron Dr (northern terminus). Most of the property has already been annexed into the City of Clarksville. Upon approval by the Habersham County Board of Commissioners, Clarksville City Manager will take this item before the Clarksville City Council for their approval as well.

Motion by Commissioner Woodall, seconded by Commissioner Akins, and voted unanimously (4-0) to approve.

- b. Consider/Approve Resolution Declaring Results of November 4, 2025 Election Determining the Issuance or Non-Issuance of Habersham County General Obligation Bonds and the Continuation of the One Percent Sales and Use Tax

Senior Elections Assistant Derek LaPerriere addressed the Commission. He is seeking approval of a resolution declaring the official results of the November 4, 2025 election determining (a) the issuance of Habersham County General Obligation Bonds and (b) the continuation of the one percent Sales and Use Tax. On July 29, 2025, the Habersham County Board of Elections and Voter Registration adopted a

resolution calling for an election to be held on November 4, 2025. The purpose of the election was to submit to the qualified voters of Habersham County the question of whether to authorize the issuance of up to \$52 million in general obligation bonds and to continue the one percent sales and use tax for an additional six years upon the expiration of the current tax. The election was conducted in accordance with Georgia Law, and the Board of Elections and registration certified and declared the official results on November 7th. The results showed that the majority of qualified voters voted in favor of both the issuance of up to \$52 million in general obligation bonds and the continuance of the one percent sales and use tax.

Chairman Tench asked how the general obligation bonds will be paid? County Manager Sims informed him that it would be paid back using revenue from SPLOST VIII, savings from no longer having to board out prisoners, and revenue from being able to board prisoners from other counties.

Motion by Commissioner Akins, seconded by Commissioner Woodall, and voted 3-1 to approve with Commissioner Tench dissenting.

ADDITIONAL COMMENTS

Commissioner Woodall wished everyone a happy and safe Thanksgiving. He stated that people who are grateful are also often the most generous, and he is proud of the amazing generosity from Habersham County citizens and non-profit organizations for those in need.

Commissioner Harkness thanked everyone in attendance at the meeting, including County staff, the Sheriff and the representatives from Farm Bureau. He feels blessed to live in Habersham County and he is grateful to serve the citizens as their Commissioner.

Commissioner Tench echoed Commissioner Harkness' sentiment, stating that he is also thankful to have been chosen to be a Commissioner as well.

Commissioner Akins stated that the presentations at the biggining of the meeting for Farm City Week and the Food Drive/Fund Raiser for the Northeast Georgia Food Bank reminded him of the importance of Agriculture to the community. He stated that agriculture has been and still is the number one industry in Habersham County. Commissioner Akins has a print in his office with a quote stating that if you burn down cities and leave the farms, the cities will spring back as if by magic. However, if you burn down farms, the cities will grow grass and become a memory. He is thankful for all of the hardworking farmers in the area.
